

Mick Ebeling

Speaker /
Hacker /
Innovator /
Maker /
Artist

“ Ask yourself every single day:
If not now, then when?
And if not me, then who? ”

CEO & Founder, Not Impossible Labs

Recently named by Fortune Magazine as one of the *Top 50 World's Greatest Leaders*, Mick travels the globe speaking to companies and individuals, inspiring them to “commit, then figure it out.” By sharing the work of his company, Not Impossible Labs, an organization founded on the principle of *"changing the world through technology and story"*, he motivates his audiences to do the same in their every day lives at work and beyond.

Achievements, Not Impossible Labs

Since 2009, Not Impossible Labs has launched several projects around the world, including:

Project Daniel

3D printing
prosthetics in
war-torn Sudan

The Eyewriter

Helping an
artist with ALS
draw again
